**NARRATIVE:**

Caroll Meeker has an extensive adult criminal history that began at the age of 19. His convictions include possession of dangerous weapons, assault with a deadly weapon causing great bodily injury, multiple cases of battery, battery causing great bodily injury, multiple cases of domestic violence with injury, intimidating a witness, under the influence of a controlled substance, multiple cases for receiving stolen property, vehicle theft, false identification to a peace officer, illegal tear gas possession, possession of marijuana and drug paraphernalia possession. He has served multiple state prison terms, the longest being a 32 month term for receiving stolen property. Meeker was released from state prison to the supervision of the Los Angeles County Probation Department on November 1, 2011. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in August 2015 after he absconded from post release community supervision (PRCS). Meeker qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of dangerous weapons is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
